

CIT Received the Delegation from Chongqing Normal University

On December 2-4, 2016, CIT received the delegation from Chongqing Normal University, China, which is the partner University to CIT. Dr. Hawkins, Chancellor of Troy University and Dr. Xu, Director of CIT had the Board Meeting with the delegation and Dr. Xu delivered the brief introduction to the development of CIT at the meeting. After the meeting, the delegation paid a visit to the Headquarter of CIT at Troy and watched the first round of preliminary “CIT Cup” Table Tennis Tournament at Troy.

On December 4, 2016, the delegation, led by Dr. Zhou Zeyang, President of Chongqing Normal University moved to Montgomery campus after the visit to Troy University and the headquarters of Confucius Institute at Troy University. On Montgomery campus, the delegation visited Rosa Parks Museum in the first place, and came to the office having a meeting with the staff from CIT MGM Campus.

At the meeting, Dr. Zhou had a communication with the all staff about the details of their working and life here in MGM and spoke highly of their effort to the promotion in Chinese culture and Chinese language program. In the end, Dr. Zhou presented suggestions to all teachers for their future professional development and also stressed strongly on the importance of promoting Chinese culture, in particular, deepening Chinese language education in elementary schools in the United States.

All the teachers at the meeting expressed their appreciation to the great opportunity being here in the United State and they all felt honored to pay their effort to build up the bridge between China and the United States.
