Licensure or Certification Examination Pass Rate

Passing scores on the CPCE Comprehensive Examination or the Praxis for School Counselors is a graduation requirement; all 143 graduates in AY 2021 passed at a 100% pass rate. The national examination encompasses the NBCC core areas that serve as a foundation for the practice of counseling. Complete data are not available on licensure exam passing rates for the National Counselor Exam (NCE) because the

program doesn't require a passing score on the NCE before graduation

All School Counseling graduates (100%) became certified school counselors within six months of graduating from the program.
