

# Robin Oakes, DPT

Physical Therapist

201 Richard Street  
Troy, Al 36079

334-372-2400

rIOakes701@gmail.com

## OBJECTIVE

To secure a position of influence educating the next generation on the beautiful complexities of the human anatomy and helping develop future medical professionals

## EDUCATION —

Bachelor of Science in Pre  
Professional Health Services  
2008

University of South  
Alabama

Doctorate of Physical  
Therapy 2010  
University of South  
Alabama

## KEY SKILLS —

Critical Thinking  
Interdisciplinary  
Communication  
Organization  
Adaptability

## EXPERIENCE

*May 2013-March 2018*

Physical Therapist • Rehab Director • Enterprise Health and  
Rehabilitation Center

*April 2018-current*

Physical Therapist • Field clinician • Enhabit Homehealth

*October 2021-current*

Physical Therapist • Physical Therapist • Troy Regional Medical  
Center

As a Rehab Director, I was responsible for managing patient care, patient and family education, and ensuring safe transition to the home environment. I also performed education to staff members to ensure proper body mechanics and patient care were performed in regards to functional mobility.

## COMMUNICATION

During my time as a Rehab Director, I initiated physician communication in order to market the specific benefits of the skilled nursing facility rehabilitation team. I gave a presentation for the Chamber of Commerce to help community members understand the significance of having a local skilled rehabilitation center.

Now, as a field clinician, I communicate daily with patients, caregiver, and physicians in order to facilitate the best possible outcomes. I have received positive recognition from patients and from supervisors in regard to my effective communication.

## LEADERSHIP

As a rehab director, I have been responsible for Center for Medicare/Medicaid departmental audits, hiring processes, work flow, revenue cycle, interdisciplinary communications, patient outcomes, and rehab department marketing.
