My dear Mrs. Williams

I received your
letter asking me what
the trouble was that I
had not written you. But
I guess you received the
card I wrote you while
I was in Washington
so you I know you under-
stand why I had not written

for I was so busy getting ready to go. with all the house work I had to do but I did get off. I went to the Southern Baptist convention and had a wonderful time. stayed two weeks and was not half ready to come home, but I came and found every thing alright. Mr. K- said he was ready for me to come. for things seemed lonely without me. and I found two nice letters from our children and they seem to think they may get home this summer. But it seems to good to be true. yet I believe they will come. I just wonder how you are hope you are better than you were during the winter. we are sure having good old summer time here now. I wish you could see my sweet peas they are beautiful

and I have a good many
little chickens, Bess, looked after
them while I was gone.
Bonnie is keeping house
and seems so happy.

I spent the day with my
dear old mother yesterday. She
is so feeble but stays up
most of the time.

Hope Nellie and all of them
are well. I sure was pleased
with dear little Jimmie's picture.
He just looks precious, our
Babies here still come over
and ask about Joyce, they
have grown so fast. Well I
must stop please take care of
yourself. Give all the folks
my love, and a hug for you. I shall
