

Confucius Institute at Troy University Held 2015 Spring HSK Test

In March and April of this year, for the sake of providing convenience to Chinese language learners, the Confucius Institute at Troy University (CIT) held 2015 spring HSK test at three test sites; Birmingham, Montgomery, and Troy. This spring's test covers HSK level 1 through 5 and speaking test HSKK, both elementary and intermedium levels. Altogether 67 students participated in the test.
